To: Contracting Officer

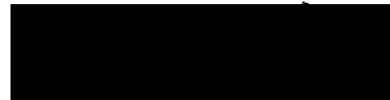

Subject: CONTRACT SC-56

Pursuant to a request by Doug we are enclosing herewith three copies of a special payroll for Contractor's Service Technicians - Detachment "A", with the employee's signature opposite his name. The column headed "Amount of Deduction" represents the amount he is to be paid by your Finance Officer at the end of each four week period, and will represent the amount of four equal weekly deductions we will have made from his paycheck.

In the instance of the attached list of employees deductions will commence on our payroll with the week ending May 6, 1956, so that the four week period will end on the week ending May 27, 1956, therefore, the first Special Payroll should be for the period of April 30 through May 27, 1956.

I trust that the above is in accord with your requirements.
